offense and indictable. "The police are supposed to make arrests, search for crime, and, wherever possible, to prevent it. This they have been doing, lately, at the race track. It was clearly their duty to search their prisoners for evidence the minute they arrested them for violation of the anti-

betting laws. "Had they not searched them on the spot there is a strong probability that whatever evidence might have existed the time they got their prisoners to the New York to Chicago Message

Police Not Too Strenuous.

Mr. Elder was asked what he thought of the conduct of the police, who had been freely criticised for their seemingly unnecessary rough work in searching men arrested at the track.

For once Mr. Elder had a good word heretofore accused of being lax in the way they went after the bettors. The police, it must be said in jus-

only places to search a prisoner. race track to-day is simply a

disorderly resort. Unfortunately, the police have not the power to close the track altogether. They can however, exclude disorderly persons, and I hope

Alleged Bettors Held. Magistrate Tighe, in the Adams Street Police Court, held the men arrested yesterday for examination on the 23d, despite a motion made by their attorney that they be discharged from custody at once, as no crime had been committed by them. Their bail was continued. Eilperim then handed up two complaints and asked for warrants for Policeman Henry E. McKinley and Detective James L. Cunningham. McKinley arrested Michael Kessel, of No. 777 Macon street, and Cunningham was
